1	Thanks. This is a monumental task and everyone should be commended for the effort.
2	Good survey.
3	GREAT JOB ON THIS SURVEY
4	Special attention to making the website easy to navigate would be helpful.
5	Many thanks for doing this Lee
6	A robust web site could be an important tool in our effort to attract young men and women to the club.
7	It's a great start.
8	I don't know how hard it is to implement, but I think a public area and an area restricted to members might be useful. The public area would be a PR and "sales" tool for the club while the restricted area could contain more information.
9	thanks for asking!
10	If this flies, then the theory that you couldn't stack the ballot fails.
